Student Organization Sponsorship Application

ArtsEngine supports student organizations pursuing interdisciplinary work through 3-year operational funding support of $1,000/year. This funding can underwrite general operating expenses. Recipients of the ArtsEngine Sponsored Student Organization status will work with ArtsEngine starting in the summer following their selection to begin strategizing marketing and recruitment tactics for the early-fall recruitment season. Recipients will receive ongoing marketing and recruitment support, regular features in AE newsletters, advising – strategic vision development, and help connecting to collaborators/faculty advisors.
